

Four Seasons News for February

Let's Give a Warm, Welcoming Whinny...

To Audrey Pade, our newest Four Seasons Consultant. We are very excited about Audrey's arrival! She adds some 'horse sense' to the team – she owns and shows American Saddlebred horses. In fact, she owns two American Saddlebreds currently (Malabar and Gadget), and has one on the way... Malabar is an expectant mom. (Does that make Audrey a grand-mare?)

Audrey loves all kinds of animals: she also has a cat named Jinglebell and a Weimaraner pooch who sometimes answers to 'Rudy'... and she can't wait to meet your pets! Please visit our [Website](#) to learn more about Audrey.

Did you know...

That Four Seasons offers overnight visits? It's true! If you have concerned that your fine feathered, four-footed, or other (non-human) family members will be lonely or frightened at night while you are away, we can be there to keep them company.

Please visit our [Services](#) page on our Website for a complete description of this service offering, and [contact us](#) if you have questions or would like to make a reservation!

I've been good... how about a treat?!

Come on, mom and dad, I have been good... and Four Seasons knows exactly what I am looking for! We offer a terrific line of healthy assorted treats and chewies that are sure to delight your canine companions.

Got a chewer whose breath should be as friendly as he is (but isn't)? Then check out Greenies – the tasty dental chew. Or perhaps your pup likes treats that look good enough for a human to try? We have rawhide lollipops, kabobs, and sticks. Or maybe after the holidays, your pal has put on a little bit of weight (we all know how the holiday feasting impacts us)? Don't deny her – choose Liver Biscotti, the sensible snack. Visit our [Treats](#) page for more information.

Hey, what about us?!

Fear not, Four Seasons feline friends! We have not forgotten you. In fact, we have a special treat coming soon just for you.

Four Seasons will be offering a specialty line of catnip products by the end of the month. Stop back to our Treats page later this month for product details and ordering information.

Thanks to all...
